Section C: Hair Product and Personal Care Product Use

The next questions ask about products you may have used during two time periods – in the past 12 months and before age 14.

You may need to look at the labels of products you are currently using to answer some of the questions. Unless the question specifically asks about applying the products to others, we are interested in products you personally used on or for yourself. This includes times when someone else may have applied a product to you (such as at a salon).

Hair Product Use in the Past 12 Months

The next questions ask about your hair product use in the past 12 months. If the past 12 months were not representative of your typical hair product use, please respond according to your typical usage.

If you do not know what a product is, please select 'did not use'.

C1: In the <u>past 12 months</u>, how frequently have you or someone else applied the following products to your hair?	Did not use	Less than once a month	1-3 times per month	1-5 times per week	More than 5 times per week
